WORK EXPERIENCE

— **BCBH Technology** Subcontractor/Animator
Orlando, FL / February 2016 - Current

Creates 2D and 3D instructional medical videos

Creates 2d animations for the company's website

Manages pre-production, shot setup, modeling, texturing, rigging, animation, lighting, rendering, and post-production

Collaborates with company liaisons to plan and execute animated videos

Meets deadlines in a fast-paced work environment

Schedules and managed weekly meetings with managers and co-workers

— **Santos Productions LLC** Subcontractor/3d Artist
Orlando, FL / August 2017 - November 2017

Produced content through the entire 3d pipeline as a solo freelancer

Created 2d and 3d rendered animations for the Home Shopping Network

Determined project goals by correctly interpreting the client needs through an iterative process of discussion and meetings with company's CEO

Adjusted to last-minute deadline and asset changes by the client
