WORK EXPERIENCE

● **BCBH Technology** | Subcontractor/Animator
Orlando, FL / February 2016 - Current

Creating an instructional medical video
using Maya 2016.

Pre production and shot setup, modeling and
texturing many assets, rigging, animating, creating
scene lighting, rendering and post production

Writing all shot by shot dialogue and matching
animation to audio

Managing my own work hours and schedule

Maintaining a professional and friendly attitude
in the work place

Troubleshooting and resolving issues for
all parts of the pipeline

Managing monthly meetings with employers to
present and discuss work progress

● **Full Sail University** | Intern/Assistant Animator
Winter Park, FL / January 2016 - April 2016

Testing character rigs still in development and
documenting rig issues

Working on assigned practice animation shorts for
educational purposes

Attending weekly meetings to discuss work progress
and test rig issues

Maintaining a professional and congenial attitude
during group critiques
